

Great results in half the time with combined heating

The 8000 MealAssist Combiquick® combi Oven combines heating functions and microwave for cooking in half the time without compromising results. And the CookSmart Touch display guides you from everyday meals to the most ambitious dishes.

Product Benefits & Features

Microwave and Oven. Dual functions for delicious dishes

Microwave and Oven merges hot air circulation with advanced microwave technology for grilling, roasting and baking up to 50% faster than a conventional oven.

Take control of your cooking with EXCite

EXCite is the responsive touch-screen TFT display that gives intuitive access to the different features of your oven. It provides you with information as you cook, ensuring you have full control over your recipes.

Assisted Cooking. Extra help when cooking

The AssistedCooking function gives you intuitive access to a wide range of dishes where the oven adjusts automatically. Or the time and temperature can be fully controlled by you.

Ensure precise cooking with the new Food Sensor

The new Food Sensor notifies you when your desired temperature is reached and allows you to precisely monitor the cooking process to achieve perfect results every time.

Cooked Evenly everywhere

The clever Hot Air convection system ensures hot air circulates evenly throughout the oven cavity, for a cooking process that is faster, and more energy efficient.

- Connectivity: Control your oven via your smartphone or tablet.
- Temperature probe
- SoftMotion™ for a smooth, silent action when closing the door.
- Electronic touch controls.
- Cooling fan
- Residual heat cooking uses the leftover heat in the oven to finish the cooking process, helping to reduce energy consumption.
- Microwave function
- Fan controlled defrosting: Great for delicate items like cream cakes, by using room-temperature air to defrost food in half the time.
- LED digital display
- Isofront® plus triple glazed doors with a heat reflective coating.
- Child lock: Oven controls can be locked to prevent misuse, providing safety and peace of mind.
- Turbo grilling
- Inverter microwave technology cooks food evenly, preventing hot spots by spreading heat consistently.

Product Specification

| | | | |
|-----------------------------------|---|------------------------------|--|
| Main Colour | Black | Max power oven, W | 3000 |
| Built-in Dimensions (mm) (HxWxD) | 450x560x550 | Temperature Range | 30°C - 250°C |
| Functions (Main Oven) | Au Gratin, Bottom heat, Bread baking, Conventional cooking + Microwave, Conventional/Traditional cooking, Defrost, Dehydrating, Dough proving, Frozen foods, Grill, Grill + Microwave, Keep warm, Liquids, Melting, Microwave, Pizza setting, Plate warming, Popcorn, Preserving, Reheating, Slow Cooking, True fan cooking, True fan cooking + Microwave, Turbo grilling, Turbo grilling + Microwave | Largest Surface area | 1424 |
| Connectivity | Yes | Interior Light | 1, Top halogen |
| Total Electricity Loading (W) | 3000 | Lamp power (W) | 25 |
| Steam Category | No | Oven Energy Source | Electrical |
| Timer Type | Electronic display with clock, minute minder, cooking duration and delay start. | Product Type | Built-in Electric Oven |
| Main Oven - Internal Capacity (L) | 44 | Noise (dB) | 48 |
| Cleaning | Clean enamel | Gross Weight (Kg) | 36 |
| Dimensions (mm) (HxWxD) | 455x595x567 | Net Weight (Kg) | 34.3 |
| Oven control type | No | Main Oven - Trays Included | 1 Combi tray grey enamel, 1 Easy2Clean Cake tray, 1 Trivet chromed |
| Max Power Grill - Top Oven (W) | 1900 | Main Oven - Shelves Included | 1 Wire shelf chromed |
| | | Main Oven - Shelf Support | Chromed; Grid Runners Easy Entry |
| | | Cord Length (m) | 1.5 |
| | | Plug or Hardwired | Hardwired connection only |
| | | Cavity Coating | Grey Enamel |
| | | N° of cavities | 1 |
| | | PNC | 944 005 395 |
| | | Bar Code | 7333394144610 |
| | | Voltage (V) | 220-240 |
| | | Required Fuse (A) | 16 |
